

Job opportunity

Local Regulatory Affairs Manager

Job description

We offer a job as a **Local Regulatory Affairs Manager**, in which you will:

- optimally use your regulatory coordination and communication skills as well as your background in Life Sciences
- be responsible for timely submission and correspondence of regulatory content to national (NL, Benelux) authorities
- will ensure to be up-to-date with local/regional regulations and marketing authorisation requirements
- check submission documents, prepare/check translations of product information (including labelling and packaging)
- compile and submit marketing authorisation application dossiers (eCTD) and variations
- review, correct and advise on promotional materials
- work with and for customers and will also be part of the Zwiers team benefitting from trainings, coaching and social events
- live up to the Zwiers "professional with a personal approach" spirit

Profile

You have:

- a BSc/MSc in Life Sciences and a minimum of 2 years of relevant regulatory experience
- writing and editing skills (English, Dutch, more is a pro)
- the ability to communicate in a convincing way and with different stakeholders
- the ability to handle stringent deadlines and to manage multiple projects simultaneously
- the eagerness to learn, develop and excel
- the enthusiastic mindset and flexibility to take on challenging positions

Offer

Salary will depend on education, knowledge and experience

Contact
