

## Job opportunity

---

Local safety officer (Benelux)

### Job description

---

We offer a job as a **Local Safety Officer (LSO)**, in which you will:

- work in our dynamic consultancy – located in Bruxelles (BE) or Oss (NL) – in the pharmaceutical industry
- act as local safety officer (LSO) / local QPPV (LQPPV) / local pharmacovigilance (PV) representative (LPPV) for MAH products in the Benelux territory(ies)
- act as a back-up L(Q)PPV during absence of L(Q)PPV
- handle the central email inbox for local activities including triage, update trackers, assign and coordinate safety information
- be coached by Zwiers and live up to the Zwiers "professional approach with a personal touch" spirit

Your additional activities can include:

- local case management activities, including mailbox management, translation to English and follow-up of PV cases in local language
- main contact and communication for local Health Authority and the MAH
- nomination of national contact person for PV with the local Health Authority
- participation in audits
- revision of PV contracts
- monthly reconciliations with partners
- weekly (depending on the frequency of publication) surveillance of local journals
- monthly surveillance of local Health Authority websites for identification of safety related data.

### Profile

---

You have:

- a BSc degree or higher (preferably in life or health sciences, pharmacy, nursing, medicine, or biology)
- 2 or more years of experience in Pharmacovigilance (PV) / drug safety
- good writing and verbal skills of French (Advanced) and English (Advanced). Dutch or any other European language would be desirable
- a high level of accuracy and quality
- excellent interpersonal, team player and communication skills
- the ability to effectively participate in meetings
- basic project management skills
- a result-oriented, multi-tasking mentality and are able to work to deadlines under time pressure
- good computer literacy (e.g., MS Office skills)

### Offer

---

Salary will depend on education, knowledge and experience

### Contact

---

For further information you can contact **Alex Zwiers, CEO, at tel. +31 (0) 610489150.**
